

ADJUSTABLE MOUNTING RAILS

STORYBOOK DIORAMA

SUPPLIES

8 bolts

8 nuts

8 screws

4 L brackets

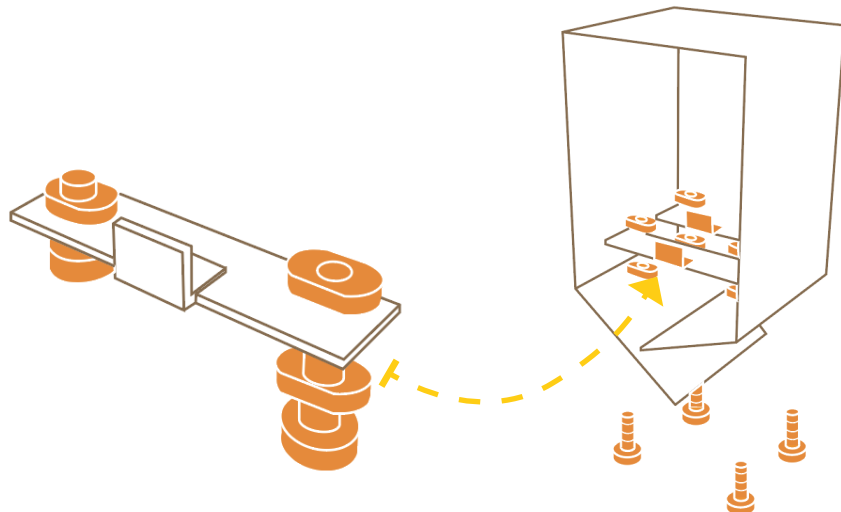

4 L slip-fit connectors

STEPS:

1. Cut, score, and fold to form a box shape

2. Cut, build, and mount the rails on the bottom, side, or top

3. Use L brackets to attach the back panel

4. Use L slip-fit connectors to attach the front box frame

5. Use L slip-fit connectors to add characters and scenery on adjustable mounting rails
